Re: 2009-2010 Hurricane Booster, Inc. Membership

Dear Prospective Hurricane Booster Member,

Please accept this letter and the attached Membership Application as your Booster Club invitation for membership for the 2009-2010 school year. We expect another exciting year of athletics at MDHS and would like you to be a part of many continued Hurricane successes.

This year we are glad to announce that the organization is a designated 501c(3) organization. This designation allows you to deduct your membership, less the value of benefits, on your tax return.

This year we will continue the 60/40 Split concept that was very beneficial to the teams last year. This program will direct 60% of all Booster fundraiser profits directly back to the coaches to use in their programs as they wish. The 40% that remains in the Booster Club will continue to fund the annual budgeted uniform rotation and any special projects or needs, as it has done in the past. You will see on the Booster Application a section marked 60/40 Split Program. This section allows you to direct 60% of the Membership Drive Fundraiser profit to the teams of your choice as mentioned above. You are able to choose a maximum of two teams.

This year we are offering an option to choose between a combination of All Sports Passes and/or Reserved Home Football Seats. This will allow members to maximize their access to the sports events that they prefer to attend. All Sports Passes allow entry to Football games but will not allow for reserved seating.

Now more than ever, Hurricane teams need your help. There is strength in numbers and your willingness to help not only financially but physically, can make a big difference during these tight budgetary times. Hurricane team successes in previous years have come from our Hurricane athletes, our kids, and their coaches, giving 110% to their dedicated sports. It is time for us, their parents and supporters, to commit 110% to their Booster Club with a one for all and all for one positive attitude.

We also invite you to attend our first Booster Meeting of the school year on September 8, 2009 at 6:00 PM in the Booster Room of the McLin Fitness Center located on the MDHS campus.

We thank each of you so very much and we would be more than happy to answer any questions you may have regarding your membership or the new 60/40 Split Program. You may contact Jody Anderson at 352-406-8228 or Keith Daniels at 407-341-6887 with any questions
